

# 14th International Workshop Nets4cars Nets4trains Nets4aircraft 2024 Colmar

## Overview

The 14th International Workshop on Nets4cars/Nets4trains/Nets4aircraft will be held in Colmar, France, from June 17 to 19, 2024. The workshop will bring together researchers and practitioners from academia and industry to discuss the latest advances in the design, development, and application of communication networks for vehicles, trains, and aircraft.

**Communication Technologies for Vehicles: 14th International Workshop, Nets4Cars/Nets4Trains/Nets4Aircraft 2024, Colmar, France, May 16–17, 2024, Proceedings ... Notes in Computer Science Book 11461)** by Luca R. Joahnsen

★★★★☆ 4.4 out of 5

Language : English

File size : 16593 KB

Text-to-Speech : Enabled

Enhanced typesetting : Enabled

Print length : 181 pages

Screen Reader : Supported

Hardcover : 296 pages

Item Weight : 1.3 pounds

Dimensions : 6.14 x 0.69 x 9.21 inches

The workshop will cover a wide range of topics, including:

\* Network architectures for vehicular networks \* Network protocols for vehicular networks \* Network security for vehicular networks \* Network management for vehicular networks \* Applications of vehicular networks \* Network architectures for railway networks \* Network protocols for railway networks \* Network security for railway networks \* Network management for railway networks \* Applications of railway networks \* Network architectures for aircraft networks \* Network protocols for aircraft networks \* Network security for aircraft networks \* Network management for aircraft networks \* Applications of aircraft networks

## **Important Dates**

\* Paper submission deadline: March 15, 2024 \* Notification of acceptance: April 15, 2024 \* Camera-ready paper submission deadline: May 15, 2024 \* Workshop dates: June 17-19, 2024

## **Submission Guidelines**

Papers submitted to the workshop should be original and unpublished work. Papers should be no more than 6 pages in length, and should be formatted according to the IEEE conference template. Papers should be submitted electronically via the workshop website.

## **Workshop Program**

The workshop program will include a mix of invited talks, contributed papers, and panel discussions. The invited talks will be given by leading researchers and practitioners in the field of communication networks for vehicles, trains, and aircraft. The contributed papers will be selected from the submitted papers. The panel discussions will focus on hot topics in the field.

## Registration

Registration for the workshop will open in March 2024. The registration fee will include access to all workshop sessions, as well as a welcome reception and banquet.

## Accommodation

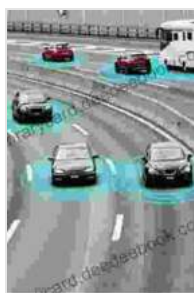

A block of rooms has been reserved at the Hotel Le Colombier in Colmar. To book a room, please contact the hotel directly and mention that you are attending the Nets4cars/Nets4trains/Nets4aircraft workshop.

## Venue

The workshop will be held at the Colmar Convention Center in Colmar, France. The convention center is located in the heart of Colmar, and is easily accessible by public transportation.

## Contact Information

For more information about the workshop, please contact the workshop organizers at [nets4cars@gmail.com](mailto:nets4cars@gmail.com).
