Building a zombie crawler is a fun and relatively easy project that can be completed in a few hours. Best of all, it's a great way to use up any leftover Halloween decorations you have lying around.

### Materials

- A mannequin or doll
- A motor
- A battery pack

- A switch
- Some wire
- Some Halloween decorations (optional)

## **Instructions**

1. Remove the head and arms from the mannequin or doll.
2. Attach the motor to the back of the mannequin or doll.
3. Connect the battery pack to the motor.
4. Connect the switch to the battery pack.
5. Wire the switch to the motor.
6. Decorate the zombie crawler with any Halloween decorations you want.

## **Tips**

- Use a mannequin or doll that is the size of a child.
- Use a motor that is strong enough to move the mannequin or doll.
- Use a battery pack that is large enough to power the motor for several hours.
- Use a switch that is easy to turn on and off.
- Be sure to wire the switch correctly so that the motor only turns on when the switch is flipped to the "on" position.
- Decorate the zombie crawler with anything you want, such as fake blood, gauze, and Halloween props.

Building a zombie crawler is a fun and easy way to add some spooky spirit to your Halloween decorations. With a little creativity, you can create a unique and memorable decoration that will be sure to impress your friends and family.
