Part 2: Assembling the Bag

1. **Step 1:** Once the ly base is complete, fold it in half to form a semicircle.
2. **Step 2:** Using the crochet hook and yarn, single crochet along the straight edge of the semicircle, creating a seam to join the two sides of the bag.
3. **Step 3:** Continue single crocheting around the top edge of the bag, leaving a small opening for the drawstring.
4. **Step 4:** Cut a piece of yarn approximately 3 feet long and thread it through the opening at the top of the bag. Pull the yarn to cinch the top and form a drawstring.

Tips for Success

- Use a high-quality cotton yarn to ensure durability and longevity.
- Pay attention to your tension while crocheting to achieve an even and consistent stitch.

- Block the finished ly base before assembling the bag to give it a professional appearance.
- Customize the size of the bag by adjusting the number of rounds in Part 1.
