## Level 1A: Primer Level

This level is designed for absolute beginners and introduces the basics of music reading, notation, and finger placement. Students will learn about the

piano keyboard, note names, rhythms, and simple melodies.

### **Level 1B: Level 1**

Building on the foundation established in Level 1A, Level 1 expands on musical concepts and introduces more complex rhythms, key signatures, and scales. Students will also explore different musical styles, such as folk songs, popular melodies, and classical pieces.

### **Level 2: Level 2**

At this level, students delve deeper into musical theory, including intervals, chords, and arpeggios. They will develop finger independence and coordination through exercises and pieces that incorporate more advanced techniques.

### **Level 3: Level 3**

Level 3 marks a significant milestone in the Alfred Basic Piano Library curriculum. Students will encounter more challenging pieces that require a higher level of technical proficiency and musical expression. They will also learn about different musical forms, such as sonatas and etudes.

### **Level 4: Level 4**

The final level of the series, Level 4, is designed for students who have a solid foundation in piano playing and are ready to tackle more demanding repertoire. It includes pieces that showcase advanced techniques, such as trills, turns, and ornaments. Students will also learn about different musical periods, from Baroque to Classical to Romantic.
