## Materials

- Worsted weight yarn in various colors

- Crochet hook size H (5.00mm)
- Yarn needle
- Scissors
- Stuffing
- Safety eyes (optional)

## **Instructions**

To make a Pillow Pal, start by crocheting a circle. Then, continue crocheting in the round, increasing stitches as needed to create a dome shape. Once the dome is the desired size, switch to single crochet stitches and crochet around the edge to create a pillowcase.

Next, crochet two circles for the ears. Sew the ears to the top of the pillowcase, and then embroider or sew on the eyes, nose, and mouth.

Finally, stuff the pillowcase with stuffing and sew it closed. Your Pillow Pal is now complete!

## **Variations**

There are many different ways to customize your Pillow Pals. You can use different colors of yarn, add embellishments, or even change the shape of the pillowcase.

Here are a few ideas for variations:

- Use variegated yarn to create a striped or ombre effect.
- Add a pom-pom or tassel to the top of the pillowcase.

- Crochet a different shape, such as a heart or a star.
- Make a matching set of Pillow Pals in different sizes.

Pillow Pals are a fun and easy way to learn how to crochet. They're also a great way to use up leftover yarn and create unique and personalized gifts for kids of all ages.

So what are you waiting for? Grab your crochet hook and yarn and get started on your own Pillow Pal today!
