## Key Features

The Sage Encyclopedia of Terrorism, Second Edition offers a wealth of valuable features, including:

- Over 700 entries written by leading experts in the field
- Coverage of a wide range of topics, including terrorism's history, ideologies, methods, and impact
- In-depth analysis of counterterrorism strategies, policies, and practices
- International and comparative perspectives on terrorism and counterterrorism
- Original research and analysis, providing cutting-edge insights into this complex phenomenon

## **Content and Structure**

The encyclopedia is organized into five thematic sections, each covering a distinct aspect of terrorism and counterterrorism:

1. **History and Evolution of Terrorism:** Explores the historical roots of terrorism, tracing its development from ancient times to the present day.
2. **Ideologies and Motivations:** Examines the diverse ideological and political motivations that drive individuals and groups to engage in terrorism.
3. **Methods and Tactics:** Analyzes the various methods and tactics employed by terrorist organizations, including bombings, assassinations, kidnappings, and cyberattacks.
4. **Impact and Consequences:** Assesses the multifaceted impact of terrorism on individuals, communities, societies, and economies.

5. **Counterterrorism Measures:** Reviews the range of counterterrorism strategies and policies implemented by governments around the world, including law enforcement, intelligence gathering, and military interventions.

Within each section, entries are organized alphabetically, providing easy access to information on specific topics. Each entry includes a detailed overview, cross-references to related entries, and a bibliography for further research.

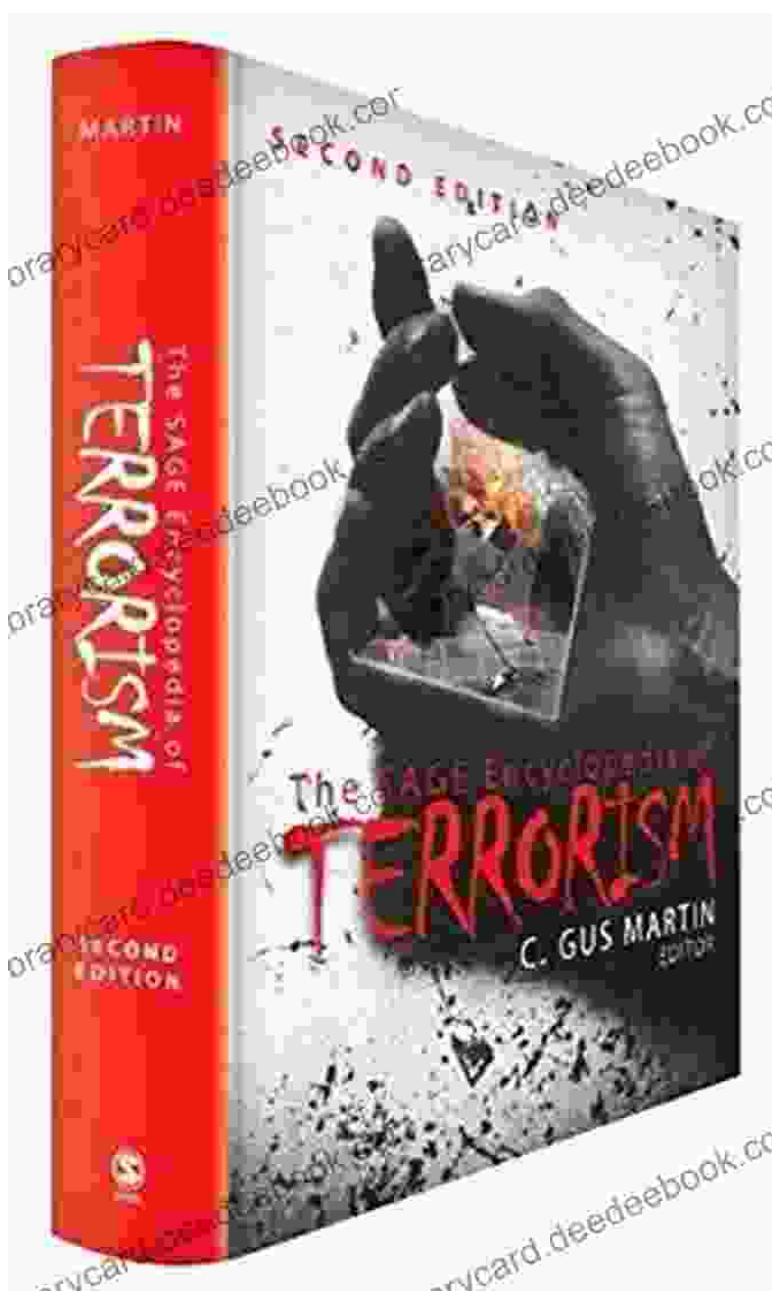

### **Target Audience**

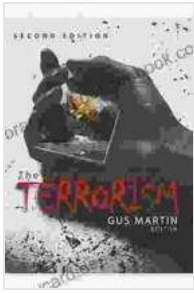

The Sage Encyclopedia of Terrorism, Second Edition is an indispensable resource for a diverse audience, including:

- **Scholars** in the fields of terrorism studies, international relations, political science, sociology, and criminology
- **Students** seeking to gain a comprehensive understanding of terrorism and counterterrorism
- **Policymakers** responsible for developing and implementing counterterrorism policies
- **Practitioners** in law enforcement, intelligence, and military organizations
- **Journalists** and researchers seeking to report on and analyze terrorism-related issues

The Sage Encyclopedia of Terrorism, Second Edition is an invaluable resource for anyone seeking to gain a comprehensive and up-to-date

understanding of terrorism and counterterrorism. Its authoritative content, written by leading experts in the field, provides a solid foundation for research, teaching, policymaking, and practice. As terrorism continues to evolve and pose significant challenges to societies around the world, this encyclopedia remains an essential tool for anyone seeking to effectively address this complex and multifaceted phenomenon.
