

The Wise Pilgrim's Guide to the Camino Primitivo from Villaviciosa Through Oviedo to Lugo

The Camino Primitivo is one of the oldest and most challenging Caminos to Santiago de Compostela. It was the route taken by King Alfonso II of Asturias in the 9th century when he became the first pilgrim to walk to Santiago. The Camino Primitivo starts in Oviedo, the capital of Asturias, and ends in Santiago de Compostela, a distance of about 320 kilometers.

The Camino Primitivo is a beautiful and rewarding pilgrimage, but it is also a challenging one. The terrain is often steep and rugged, and the weather can be unpredictable. However, the rewards of walking the Camino Primitivo are great. You will experience the stunning scenery of northern Spain, meet other pilgrims from all over the world, and have the opportunity to reflect on your life and faith.

This guide will help you plan your journey on the Camino Primitivo from Villaviciosa through Oviedo to Lugo. We will provide you with information on the route, the towns and villages you will pass through, and the places where you can stay and eat. We will also give you some tips on how to prepare for your pilgrimage and what to expect along the way.
